Executive Summary

Division of Assessment, Recording & Taxation (DART) Applications Support Program supports the applications used by all of the DART's linked programs. Responsibilities include tax roll calculation and certification, tax statement production, requests for information and data files from both internal and external sources and supporting the DART application users.

Program Description

DART's Application Support Program performs the functions that support the certification of the annual tax roll, including calculating tax rates and taxes, producing tax statements, and producing reports required by the Oregon Department of Revenue. As a result the program assists in answering public and media questions about property tax bills, contributing to the accountability factor of the public's perception of fairness in assessing and collecting property taxes. In addition to certifying the annual tax roll, the Program responds to requests for information and data files from both internal and external sources. The Program manages the working relationship with the application software and hardware vendors, as well as the County Information Technology Division; including consulting on contract formulation and implementation support. The Program answers user questions, resolves problems, and provides advice on the effective use of the DART's business application systems.

Performance Measures

Measure Type	Primary Measure	Previous Year Actual (FY10-11)	Current Year Purchased (FY11-12)	Current Year Estimate (FY11-12)	Next Year Offer (FY12-13)
Output	Number of Requests & Support Activities Completed	0	6,500	4,300	3,500
Outcome	% of Requests Associated with Program Revenue	0.0%	4.0%	5.0%	4.0%

Performance Measure - Description

The Number of Requests & Activities Completed was a new performance measure for FY 2010. One Activity represents a single request or contact, even if that request is for 5 data files to be created and sent to the client.

The percent of Requests Associated with Program Revenue is also a new measure, indicating the portion of the program's work activities associated with a portion of our revenue.

Legal/Contractual Obligation

This program supports the Division of Assessment, Recording & Taxation in its compliance with Oregon Revised Statutes (ORS) Chapters 92, 205, 294,305-312, and 321. Additionally, ORS 306.115 assigns statewide general supervision of the property tax system to the Oregon Dept. of Revenue (DOR). Through the "County Assessment Function Funding Account" (CAFFA Grant) process described in ORS 294.175 the DOR determines the acceptable level of assessment & taxation staffing. The DOR has determined staffing levels are at the minimally acceptable level to perform the A&T function. Any reduction to this program may jeopardize this grant revenue.

Explanation of Revenues

Participation in the Oregon Department of Revenue County Assessment Function Funding Account (CAFFA) Grant, which supports Assessment & Taxation Programs, provides reimbursement of approximately 25% of program expenditures. Total annual Multnomah County share of CAFFA is estimated at \$3,518,268, with \$282,165 allocated to DART Applications Support Program. Additional program revenue of \$70,000 is from service fees for access to Assessment & Taxation information (subscription website user fees) and requests for Assessment & Taxation Data files. Service fee rates are as authorized in the Department of County Management Fee Ordinance. Fees are projected based upon historical trends. Remaining support is from General Fund revenues.
