Executive Summary

Youth Services Management ensures that library staff receive training to work with children and teens birth through age 17; offers reading promotion initiatives; and sets overall direction for services to this age group and their adult caregivers.

Program Description

Youth Services Management is provided systemwide through four main elements: staff training; youth reading initiatives; coordination, partnerships, and advocacy; and program development and evaluation. The office plans systemwide services; develops and evaluates programs; oversees development and education for staff; advocates in the community for increased use of libraries by children and teens and their parents and caregivers; and explores and engages in community partnerships to increase youth library use, support other organizations' literacy objectives, and improve students' reading scores.
