Executive Summary

This work unit manages the business services function of DCS and provides direct support to the Department Director.

Program Description

This work unit manages the financial and administrative functions of the operating programs within the Department of Community Services. These operating areas include Animal Services, Elections, Survey, Transportation Engineering and Planning, Bridges and Land Use Planning. It directly supervises Budget and Operations Support which performs the following functions: Records Management, Contract Administration, Grant Accounting, Cost Accounting, Accounts Payable and Receivables for warehouse operations, payroll and personnel maintenance, preparation of legal records for litigation, in addition to the reception and clerical functions typically associated with these positions. This unit performs the essential administrative support operations of the various DCS programs while providing common interpretations of County Policy and Procedure through its administrative and fiscal services. This allows other program areas to remain focused on delivering their core program services.
