Executive Summary

This offer is built on the core Emergency Management program offer 10012. Multnomah County maintains active engagement in the Department of Homeland Security Portland Urban Area Security Initiative (UASI) region emergency policy, planning and preparedness efforts. UASI provides funds to jurisdictions and agencies within the region for regional planning staff, supplies, equipment, training and planning.

Program Description

The UASI region includes Clackamas, Columbia, Washington, Multnomah and Clark (WA) counties, and the City of Portland as the administrative agency. UASI grant funds are used regionally for a wide range of preparedness and response capacities in areas such as transportation, law enforcement, IT security and citizen preparedness. The County's Emergency Management Director and regional counterparts serve as the steering committee for this grant. This offer reflects MCEM's staffing

positions for UASI support to a variety of inter-jurisdictional working groups and Committees.

While these staff are located in the Multnomah County Office of Emergency Management, their work is focused on regional projects with regional benefit.
