Performance Measure - Description

 **Measure Changed**

Our ability to serve increasing numbers of uninsured clients is dependent on the availability of general fund or grant revenue to cover the cost of their care.

Note: 4REAL federal grant funding ended in Sept 2010, leading to an overall decrease in clients served. The re-opening of the Southeast Health Center (Spring 2013) and the opening of a new School Based Health Center at Centennial High School (Fall 2013) will most likely result in an overall increase in the number of clients served by the Health Department. Increase is based on 2.1% per year for 2013 and 2014.

For FY 13-14, we are changing the # of business related/professional all staff dept communication to the # of times MCHD is in the local and national news media. This measure is more meaningful as it highlights internal and external communication efforts and increased visibility.
