Executive Summary

The Department of Community Justice (DCJ) Juvenile Services Division (JSD) supervises the highest percentage of high-risk youth on probation in the entire state. Juvenile Services Management (JSM) leads, supports and monitors Delinquency Intervention, Probation, Accountability, Community Engagement, Treatment, and Detention services for delinquent youth 12-18 years of age, and in the case of probation, youth up to the age of 23. Within these services, managers oversee a variety of programs designed to reduce recidivism as well as the overrepresentation of youth of color in the juvenile justice system in Multnomah County.

Program Description

JSM ensures that JSD protects public safety, provides fair and equitable accountability and delivers cost effective, evidence-based services to delinquent youth and their families. This program is responsible for engaging with the community and collaborating with system partners (e.g., the judiciary, law enforcement, etc) to enhance the coordination and effectiveness of the overall juvenile system. Specific oversight responsibilities include:

- 1) PROBATION AND ACCOUNTABILITY SERVICES - Coordinates and monitors units devoted to probation supervision, sanctioning, connectivity to resources, and accountability, including Community Service and Project Payback, a juvenile restitution program, and Community Detention/Electronic Monitoring programs.
- 2) CUSTODY SERVICES - Responsible for the operations and security of a regional juvenile detention facility. This facility operates 24 hours a day, 7 days a week and serves tri-county youth awaiting subsequent court hearings (including Measure 11 youth), or those serving a sanction.
- 3) PRE-ADJUDICATION, TREATMENT AND COMMUNITY INTERFACE SERVICES – Oversees intake/assessment, prevention/intervention, and adjudication. Provides in-house mental health and alcohol and drug services for delinquent youth (including assessments, case planning, care coordination, and individual/family therapy). Interfaces with youth-serving community resources and agencies to improve access and connectivity.
- 4) DETENTION ALTERNATIVES INITIATIVE PROGRAMMING - Holds youth accountable and protects public safety through shelter care use, residential placement options, and other detention alternative intervention outlets.
- 5) FAMILY COURT SERVICES - Provides mediation, parent education and child custody evaluations, as well as support to the court in dependency matters and system initiatives.

In addition, JSM manages a position that serves as a liaison to the family court judiciary for community-based programs and agencies, coordinates the efforts of the model court program, advocates and implements best practices, staffs judicial meetings, and partners with the Chief Family Law Judge as a point of contact for foster care reform.
