**Executive Summary**

The Adult Community Service Program (CS) promotes critical public safety goals. CS works with approximately 2,600 formally supervised offenders each year to assist them with their court mandated obligations of community service work. Offenders work in parks and assist non-profit agencies in projects that clean up the community. In FY 2012, 785,000 dollars of unpaid community service was provided to Multnomah County. CS also represents a sanction option that monitors offenders, holds them accountable and reserves jail beds for the most violent offenders.

**Program Description**

Community Service provides the courts and Parole/Probation Officers (PPO) with a cost-effective method of holding offenders accountable while providing reparations for the community. Courts sentence offenders to community service as a condition of probation and PPOs can sanction offenders to complete community service as a consequence of a supervision violation. Over 100 non-profit community organizations use offenders in this program for non-paid work. Under several circumstances, implementing CS is much more cost effective than using a jail bed, when a swift response to a supervision violation is necessary.

Along with being a low cost alternative to jail, CS also provides offenders the chance to give back by improving the livability of the community through the work that is accomplished in this program.
