Executive Summary

This offer is for the operation of 96 individual cells at the Multnomah County Detention Center located on the 7th floor of the facility. This area is monitored on a 24/7 basis and provides multiple services.

Program Description

The 7th floor of the Multnomah County Detention Center (MCDC) is a housing area in this maximum security facility. The floor contains a control center and four housing modules as well as some program space. The 7A and 7D modules have 32 individual cells each while the 7B and 7C modules have 16 each. The total floor capacity for the 7th floor is 96 cells.

Working with our partners in Programs, Corrections Health and mental health, various services are provided for the incarcerated population. Examples of services provided may include parenting classes, AA and NA and various educational programs to include GED attainment. A portion of this offer allows for inmate recreation, supervision and facility escorts.

While in the care of the Sheriff, persons incarcerated are provided medical treatment, dental services and mental health care if needed. Additionally the safety of those incarcerated is paramount to the staff. Suicide prevention procedures are reviewed and updated. The Prison Rape Elimination Act is strictly enforced, claims are investigated and prosecution is sought when violations are reported.

Funding of the 7th floor supports the role of public safety and the operations of the MCDC. In turn, funding for MCDC supports the mission of public safety working with the Multnomah County Inverness Jail (MCIJ). The Sheriff has statutory authority to release pretrial inmates in the event of a population emergency. Funding for MCDC and MCIJ aid the Sheriff in managing the incarcerated population and reduce the potential for emergency releases.

At the FY 14 budget adoption hearing, the Board approved an amendment that provided on the first quarter (\$748,014) of General Fund overtime in the Sheriff's Office adopted budget. The overtime for the remaining three quarters of the year (\$2,244,042) was placed in General Fund contingency. This action reduced this program's requested overtime funds by \$47,875.
