This Sergeant collaborates with the Oregon Human Trafficking Task Force to both aid in prosecution of Human Trafficking crimes and intervene with victims while in custody.

**Program Description**

A trend has been identified among the jail population whereby at-risk inmates are being used as a commodity by being identified and passed once out of custody to persons involved in crime types including coercion, prostitution, promoting prostitution, sex abuse and contributing to the delinquency of a minor. The Corrections Sergeant shares names and information with the Oregon Human Trafficking Task Force regarding intelligence gathered on potential perpetrators, maintains a data-base module for tracking and information dissemination and uses a screening instrument to quickly identify at-risk inmates and connect those inmates with in-jail programs and intervention/ transition services.
