Executive Summary

System Information Services provides coordination, training, support, information and resources to Multnomah County Library's Information Services librarians and library assistants so they can quickly and accurately connect Multnomah County residents with the resources, experiences and information they seek. Information Services staff are expected to be knowledgeable, compassionate, respectful and committed to improving the quality of life for the community and available to assist in person, by phone, by e-mail, or online. Staff also connect with patrons virtually through Facebook, Twitter, My MCL and library blogs.

Program Description
