Executive Summary

The primary goal of the Victim Assistance Program is to make the criminal justice system more responsive to individual citizens, particularly to victims of crime. The District Attorney's Office continuously works to ensure for crime victims a meaningful role in the criminal and juvenile justice system, while affording them due dignity and respect. To this end it is the philosophy of the office that every effort be made to maximize victim involvement at every possible stage of a criminal case. The office is committed to full implementation of Victims Rights as embodied in Oregon law.

Program Description

Victim Advocates will work directly with crime victims to explain the criminal justice system, including what rights are available to them; provide court accompaniment; offer referral information to appropriate community services and guide victims through the prosecution process.

The program also provides 24-hour on-call response to victims of sexual assault. We carry out this effort with a team of paid staff and over 40 volunteers. This immediate crisis intervention service is then followed by ongoing support and advocacy throughout the investigation and prosecution of the case.

Currently there is an enhanced focus on improving all aspects of obtaining restitution for victims of crime. As a result of this focus impressive improvements have been made, and other possibilities for improvement are being studied.

All victims of crimes being prosecuted by the District Attorney's Office receive: information about their rights as victims; opportunity to submit information about their losses for restitution; and notification letters on the case status and disposition.
