Program Characteristics: In Target

#### **Executive Summary**

Homeless Families' Shelter and Emergency Services (HFSES) provides year-round day and night shelter, access and referral to supportive services, housing placement and retention support, and increased winter capacity through the Family Warming Center to approximately 270 homeless households with children and 50,000 callers to 211 info annually.

In partnership with faith-based congregations, non-profit providers, the City of Portland, and the community, the County's financial investment is leveraged, on average \$2 for every \$1 invested.

200 households annually are placed into housing and provided with rent assistance, as well as placement retention support resulting in 90% remaining in permanent housing six months after exit from service.

## **Program Description**

In the most recent data available the Oregon Department of Human Services (DHS) documented 6.122 households with children receiving food stamps in Multhomah County who self-reported that they were homeless. The majority of these families are largely invisible to the community because they are much more likely to be doubled up or couch surfing.

The most recent Point-In-Time Street Count continues to document significant increases in the number of families with children living on the streets, in cars, or other places not meant for human habitation.

Leveraging faith-based, non-profit, and jurisdictional partnerships, the County has created a true year-round system of care for homeless families, providing day and night shelter, access and referral to supportive services, housing placement and retention support, and increased winter capacity. Utilizing this base, the investment of general funds is leveraged and maximized. It is also anticipated that over time, by providing services year round, potential need during the winter may be reduced as families won't have to wait until the winter in order to leave the streets or other unsafe or inappropriate living situations.

211info provides general health and human services referrals for the community at large, specialized winter shelter access services, and emergency response functions as part of the system of care.

### **Performance Measures**

| Measure<br>Type | Primary Measure   | Previous<br>Year Actual<br>(FY11-12) | Current<br>Year<br>Purchased<br>(FY12-13) | Current<br>Year<br>Estimate<br>(FY12-13) | Next Year<br>Offer<br>(FY13-14) |
|-----------------|---|--------------------------------------|---|--|---------------------------------|
| Output          | # of households served  | 638                                  | 270                                       | 270                                      | 340                             |
|                 | % of households served that remain in permanent housing 6 months after exit | 99.0%                                | 80.0%                                     | 90.0%                                    | 90.0%                           |

#### **Performance Measure - Description**

Permanent housing is long-term community-based housing with attached appropriate support services, where a household can stay without time limit.
