Executive Summary

The Homeless Youth System (HYS) is a highly collaborative system comprised of four non-profit agencies that provide a continuum of screening, crisis intervention, safety services, shelter, assertive engagement, housing, education, employment and health services to approximately 1,000 homeless youth up to age 25 annually.

This system is integrated with the public safety system and is a jointly funded collaboration among DCHS, DCJ, the City of Portland, Portland Police Bureau, Citizens Crime Commission, Portland Business Alliance, the State of Oregon, Outside In, New Avenues for Youth, Janus Youth Programs, Native American Youth & Family Center and the community.

Services ensure that up to 75% of those served exit to safe stable housing and that 75% of those remain in safe, stable housing for at least six months after exit from service.

Program Description

The HYS provides late stage intervention for approximately 1,000 homeless youth annually through: 24/7 crisis and safety services; shelter; assertive engagement and linkage to long-term community supports; transitional and permanent housing; education and employment services; alcohol, tobacco and other drugs intervention and treatment; and, mental and other health services. Housing, services, and support to teen parents - both homeless and not - are also provided.

System accountability is managed through the Homeless Youth Oversight Committee (HYOC), a citizen body appointed by the Chair with representation that includes the Citizen's Crime Commission, Portland Business Alliance, DHS, Juvenile Rights Project, City of Portland, Health and Community Justice Departments, service providers, and homeless youth.

The HYS continues to implement the Positive Youth Development Assertive Engagement model, using a System Logic Model, Fidelity Scale, and data collection reports to monitor progress made.

Homeless youth are particularly vulnerable to crime, to be preyed upon, or to victimize others as they attempt to survive on the streets. Through joint planning and regular cross jurisdictional meetings, services are exceptionally integrated with public safety and other service systems, with significant community oversight.
