**Executive Summary**

The Facility Security Unit (FSU) is the first level of defense and security for public safety and emergency preparedness in the Multnomah County courts. Facility Security Officers (FSO's) deter the introduction of weapons into the courts by screening entrants via x- ray and magnetometer equipment. The security screening process and the presence of FSO's deter disruptions to court operations.

**Program Description**

The FSU provides external and internal security to the downtown Courthouse, the Justice Center courts, and the Gresham Court through electronic security screening, uniformed presence, and security patrols. The FSOs provide citizens and employees with a safe and secure environment in which to conduct their business by security screening of all persons entering the court facilities. The FSOs, working in collaboration with other agencies and the State Court prevent disruption of services to the public so court business may be conducted in a safe environment. Persons entering the courts may be emotionally distraught, under the influence of intoxicants, or involved in situations of domestic abuse. The FSO's are the first, positive contact point for all of these persons; whether it is for information, referral, or public safety.

The core functions of the FSU are public safety, security, assistance and referral. The presence of uniformed FSO's helps to deter disturbances and criminal activity in the courts; when court operations are interrupted it costs the taxpayers money. The effectiveness of FSO's is seen in the low ratio of exclusions to the number of persons screened.
