Executive Summary

The MCSO In-Jail Gang Intelligence Deputy organizes intelligence and investigative information regarding known and suspected gang members and associates in custody, and acts as a liaison to division members and other outside agencies in the collection, analysis and distribution of new and updated information. This deputy is part of several regional/multi-agency organizations, including the Metropolitan Gang Enforcement Team (MGET) and the Willamette Valley Corrections STG/Gang Information Sharing Network.

Program Description

Gang members frequently cycle through the jail system, and more importantly, while in custody, communicate with other gang members via phone and mail both in custody (DOC, other local jails) and out. This provides a vast resource of information on gang member identities and activities. The Corrections Deputy assigned to Gang Intelligence gathers intentional intelligence on the population of known and suspected gang members and associates booked and housed at Multnomah County jails.

Information from this intelligence gathering is shared across the region with several multi-agency work groups. These efforts support gang prevention, enforcement, and criminal apprehension.
