Program Characteristics: Out of Target

Executive Summary

This offer purchases continued funding of a Corrections Sergeant to establish intelligence-gathering and intervention methodology regarding human trafficking as it is proliferated among jail inmates, to include the establishment of a screening instrument to identify at-risk pretrial inmates and sentenced offenders. This Sergeant collaborates with the Oregon Human Trafficking Task Force to both aid in prosecution of Human Trafficking crimes and intervene with victims while in custody.

Program Description

A trend has been identified among the jail population whereby at-risk inmates are being used as a commodity by being identified and passed once out of custody to persons involved in crime types including coercion, prostitution, promoting prostitution, sex abuse and contributing to the delinquency of a minor. This offer would continue funding of a Corrections Sergeant to develop intelligence collection, organization and dissemination operations targeting human trafficking activities inside the jails. The Corrections Sergeant would share names and information with the Oregon Human Trafficking Task Force regarding intelligence gathered on potential perpetrators, establish a data-base module for tracking and information dissemination and develop a screening instrument to quickly identify at-risk inmates and connect those inmates with in-jail programs and intervention/ transition services.

Performance Measure - Description

In Jail Human Trafficking has seen a huge increase in involved cases. There are more units finding Human Trafficking in their cases, domestic violence cases, gang cases, drug cases and a large amount of P/V sanctions. MCSO has been involved with training other law enforcement and criminal justice agencies on how to identify Human Trafficking in jail and how this information can help them with their case.

The MCSO Sergeant is involved in all human sex trafficking cases with in Multnomah County from identifying human trafficking victims and pimps who are in jail, and also by partnering with local police agencies, the DA's office and the US attorney's office the sergeant conducts follow up on inmates in these cases and testifies in court.

Currently, data compiled in an Excel database. MCSO has moved forward on the development of a database which should be on line soon. This should greatly improve information tracking.
