**Executive Summary**

This program is the result of the Executive budget decision to increase services to the Corbett community. MCSO protects citizens residing and/or recreating in unincorporated Multnomah County, including Corbett, by responding to emergencies, patrolling neighborhoods, performing traffic safety duties and providing education. The Corbett Community Resource Deputy will assist the community with emergency preparedness, safety education, and perform general liaison work on behalf of MCSO.

This Community Resource Deputy coordinates and manages the Corbett Volunteer Citizen Patrol. This project increases safety and livability of the Columbia River Gorge.

**Program Description**

MCSO provides 24/7 public safety coverage for the residents living in the unincorporated areas of Multnomah County, including Corbett. Deputies are first responders to any emergency requiring an immediate response. Working with schools, businesses and neighborhood associations, deputies seek to understand community needs and using problem solving skills to assess, investigate, and intervene in criminal and gang related activities. Criminal intervention sometimes results in disruption of the family unit and deputies use social service providers to help stabilize children and families through housing, health, and mental health services. Traffic safety through education and intervention provides safe streets to access commerce and recreation opportunities of the community. This program coordinates the execution of these responsibilities for the Corbett community. A visible public safety system is a critical factor to citizens feeling safe at home, school, work, and play. Evidence through the Bureau of Justice Administration studies shows that community policing is a proven and historical strategy to community safety.
